

3M Commercial Graphics  
Scotchcal™ Graphic Film IJ40C

The all-round Solution  
for Large & Smooth Surfaces  
Easy. Safe. Fast. Stunning.

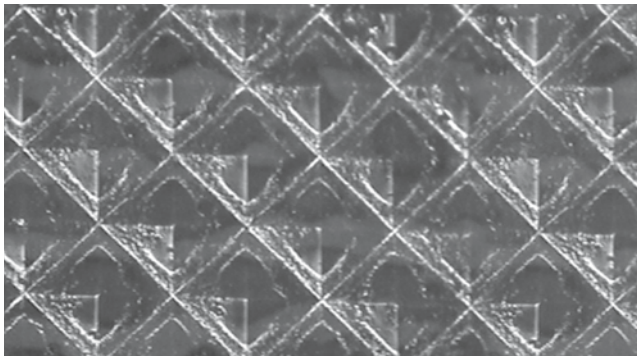

## The all-round Film with Bubble-free Guarantee

The 3M™ Scotchcal™ Graphic Film with Comply™ Adhesive Series IJ40C is a high-grade all-round graphic film which is applied absolutely bubble-free due to the proven Comply adhesive technology:

- Bubble-free standard
- Superb adhesive performance
- Medium term use (up to 5 years)
- Indoor and outdoor applications
- Ideal for flat and smoothly curved surfaces
- Up to 3 years 3M™ MCS™ Graphics Warranty

## 3M™ Comply™ Technology

With the patented Comply™ Technology the air escapes through finest air release channels in the adhesive.

## Benefits:

- Easy, safe and fast application
- Smooth surface structure

## Multiple Application Possibilities for Large Format Advertising Graphics

The IJ40C has been especially developed for piezo ink jet printing and the printing with solvent-based and UV-curable inks. It is a film with excellent hiding power which is available in a permanent and a removable version. Its easy handling makes it a good choice for professional and non-experienced users.

A typical application area is product advertising with changing topics, e.g. on buildings, in shops, on flat vehicle surfaces or on windows.
